

Year 1  
Spring Term

# ANIMALS

## Key Information:

We have PE on Wednesday's please ensure your child's PE kit is in school on this day.

## Read Write Inc.

The children will continue to work in their phone groups to support their reading and comprehension. These will be regularly assessed to ensure that the children are being challenged to become the most fluent readers they can be.

## English

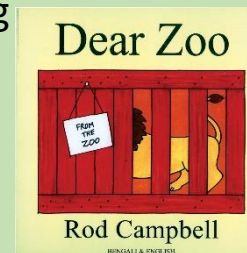

### Key texts:

Dear Zoo by Rod Campbell

We will be consolidating our phonics skills and using our knowledge to work with more independence.

Main writing outcomes include:

- Description writing
- Story writing
- Instructions
- Poetry

## Maths

In maths this term we will be developing and progressing our understanding of:

**Number-** Addition and subtraction

**Number: Place Value** (within 50)

Multiples of 2,5 and 10 included)

**Measurement-** Length and Height

**Measurement:** Weight and Volume.

## Geography

We will be learning about the countries of the United Kingdom and the seas which surround it.

## History

In History we will be learning all about animals and their rights. We will look at the use of animals in the circus and how it has changed over time.

## Design Technology

We will be designing animal puppets based around our endangered animal research.

This will include:

- Designing a sock puppet.
- Making a sock puppet.

If you have any questions, please do not hesitate to pop in and speak to us.

## Science

This term we will be working on the topic "Weather" where we will be closely investigating all types of weather. We will be creating our own equipment to help us investigate and measure the weather.

## Art

We will be investigating colour using paint to make new colours and different shades.

## Computing

This term we will be learning how to be safe online. We will also be learning basic computing skills and how to use technology responsibly.

## PE

This term in PE the children will be practising a number of skills including multi-skills, football and team games.

## Music

We will evaluate music about animals. We will explore a range of instruments to create our own animal music to help raise awareness about endangered animals.

## PSHE

We will be learning about friendships and being kind.

## RE

We will be learning about the Bible and a variety of stories from the Bible
